EDUCATION

2011 - 2013

- Degree in Management Information Systems and Networking (I.E.S Politécnico Jesús Marín - Málaga)

2013 - 2014

- 1st Year - Multiplatform Application Development (C.E.S. San José - Málaga)

ADDITIONAL EDUCATION

•2017 in Portel

Angular 2 Course:

- Directive.
- Component.
- Routing.
- Data Access.
- Dependency Injections.
- Services.
- Modules.
- Http requests.
- Forms.

•2015 in INSA

ASP.Net 2012 Course:

- Programming with ASP.NET
- Program Flows.
- OOP. Projects and Web sites
- Forms and class Web Page
- The working environment. configuration
- Web controls and data binding
- Collections, controls validation and error handling
- Navigation, master pages
- Access to data and ADO.NET
- Security and Profiles in ASP.NET

•2015 in INSA

Business Intelligence SQL Server 2014:

- BI in SQL Server 2014.
- Dimensional Modeling.
- SQL Server Integration Services 2014. (Flow and Data Flow Control)
- BI Semantic Model. (Model multidimensional (OLAP cubes) and Tabular Model)
- SQL Server Reporting Services 2014.
- Subsistence Tools. (Excel 2013)
-

- 2013 in Forman
Cisco Wireless.
Cisco Networking Academy

- 2011 – 2012 in Jesus Marin
CNNA Discovery Networking for Home and Small Businesses
Cisco Networking Academy

- 2011 – 2012 in Jesus Marin
CNNA Exploration Network Fundamentals
Cisco Networking Academy
